**TExES Exam Secrets Test Prep Team : TExES Science 7-12 (236) Flashcard Study System: TExES Test Practice Questions Review for the Texas Examinations of Educator Standards** before purchasing it in order to gage whether or not it would be worth my time, and all praised TExES Science 7-12 (236) Flashcard Study System: TExES Test Practice Questions Review for the Texas Examinations of Educator Standards:

0 of 0 people found the following review helpful. Good product but not 100% relevant to test contentBy Oscar Cortez Jr.If you're in a bit of a rush to get essential knowledge in for your upcoming TExES test, then these are not the cards for you. While these cards provide a pretty good summary about the domains and competencies that you can expect on the test, they do not do so in a readily fast-paced way. Truth be told, however, when it comes to the TExES (236), there is no quick way to study. This item gets three stars because the content that it emphasizes is not immediately relevant to what's on the test. Furthermore, there are quite a bit amount of typos on the cards that can detract from studying.

\*\*\*Ace the TExES Science 7-12 (236) Exam and Get the Results You Deserve\*\*\*The TExES Science 7-12 (236) Exam is a challenging test and your results can make a huge difference when it comes to your future.
